TESTIMONIALS

"MDP Sport and Recreation is an absolute must attend. Through a wide variety of diverse, world class clubs, the presenters not only introduce and showcase ideas on how to engage the wider family population, but create the opportunity to challenge managers to look at things activities outside of their core club offering" - **Steven Troup, Golf Saudi**

"The MDP Sport & Recreation is one of the courses that everyone in the sports industry should attend. You get to learn a lot inside the clubs and outside the clubs about the different types of sports and how they link to each other, if you are in tennis, football or golf this is one of the best courses to attend." **Nash Meana, Fitness Professional**

"The MDP Sport & Recreation has allowed me to learn, be inspired and reflect. Being able to learn from some of the best club managers in the country and being able to understand what they go through on a day to day basis, to be inspired by some of the best clubs in the world from my perspective. It has given me the opportunity to reflect on what I want to improve on and what I want to aspire to. This course has been an overwhelming success" **Jonathan Kinsella, The Northern Lawn Tennis Club**

"After attending the course, I certainly felt more empowered and able to deliver much higher standards to both our membership and the team. It is also crucial to highlight to all aspiring CCM that, not only is the course inspiring and insightful but it helps gaining the skills required to pass one of the ten competencies. A hands-on course, where you get to discover and take part in most of nowadays' most popular games such as paddle, pickleball, etc. and let's not forget the essential networking connections made during the training." **Debora Drago CCM, Deputy General Manager, Roehampton Club**

RULES OF ATTENDANCE

When attending a Management Development Programme for CMAE there is a demand of being present in the room during the 5-day programme. A delegate needs to attend each session in order to get credits for the entire week.

Expected circumstances

If a delegate knows that he/she will be away for any reason during the week (more than 1 minute), he/she needs to inform the facilitator before starting the course on day 1. It could be communicated with the CMAE office and in certain cases rules could be agreed upon between CMAE and the delegate to make up for the lost time due to the expected circumstances. More than 60 minutes will be dealt by on individual basis depending on what day of the week and the content of that day. Decision will lie with Director of Education.

Unexpected circumstances

As problems/issues can happen during 5 days (or before and after), the delegate might have unexpected circumstances with health issues, transport or family problems that must be dealt with. In those occasions, MDP facilitator will be responsible to make a plan together with the delegate to solve any issues that might occur from this unexpected issue.

Leaving early / Arriving late

CMAE is running a 5-day-programme and you are expected to attend from start to finish. The delegate must look at the starting time as well as the finishing time and is not allowed to leave early (or arrive late) because of then disturbing the education and all delegates on the course. If something is planned – see “Expected circumstances”. Travel problems – see “Unexpected circumstances”.

Consequences of not attending

If for any reason not communicated before or see “unexpected circumstances” the delegate misses more than 60 minutes of the content, he/she will not get the certificate for the week.
